

ISN'T IT TIME YOU LOVED YOUR EHR?

BREAK UP WITH YOUR OUTDATED EHR AND FIND OUT WHY INSYNC IS A BETTER FIT

If you're like most healthcare providers, the relationship with your current EHR software has room for improvement.

Maybe it's too many clicks, limited technology, non behavioral health specific, or lacks vital integrations—but whatever the reason—it's preventing you from delivering optimal patient care.

- ✓ Cloud-based and mobile-friendly for access anytime, from anywhere.
- ✓ Fully integrated EHR, scheduling, billing, telemedicine, e-prescribing, and patient portal.
- ✓ User-friendly, easy to navigate design.
- ✓ Implementation and training options customized to your practice.
- ✓ Rapid release schedule of product enhancements and new features.

DON'T JUST TAKE OUR WORD FOR IT...
